Grove Music Online is the ultimate authority on all aspects of music worldwide and, from 2008, the best became even better! The relaunched Grove Music Online offers new design, content, functionality, and partnership links. What’s more, the new-look Grove Music Online is cross-searchable with the new Encyclopedia of Popular Music within the Oxford Music Online gateway.

- The Oxford Companion to Music and The Oxford Dictionary of Music are available alongside Grove Music Online at no extra charge, providing a quick introduction to complex terms and concepts.
- Completed entries from the major new edition of New Grove Dictionary of American Music will be added on a regular basis.
- Learning resources and timelines provide invaluable support for teachers and students.
- External audio links at article level to the Classical Music Library PLUS article-level links to the RILM database of music bibliography.
- Direct links from biographies to other online resources, including the Oxford Dictionary of National Biography.

Other key features...
- Over 50,000 articles chart the diverse history and culture of music and musicians from around the world, from pre-history to the present day.
- Broad coverage of musical styles and traditions worldwide.
- Multicultural scope – articles are written by over 6,000 leading international experts.
- Detailed works-lists for a vast range of composers, from Rosalina Abejo to Bernard Zweers.
- Over 500 Sibelius-enabled audio examples cover styles and people, from harmony to Handel.
- Over 28,000 biographies.
- Regularly updated with new and revised articles.
